Climate Change and Emissions Management (CCEMC) Corporation to Announce Funding for Energy Efficiency Projects and a New Funding Opportunity

EDMONTON – Eric Newell, Chair of the Climate Change and Emissions Management Corporation, will announce funding for six energy efficiency projects, as well as a new CCEMC funding opportunity on June 23. Alberta Environment Minister Rob Renner will talk about the importance of investing in clean technology and funding recipients will also be in attendance to speak to their projects.

EVENT: Media announcement and availability

WHO: Eric Newell, Chair, Climate Change and Emissions Management Corporation
Rob Renner, Minister of Environment, Province of Alberta
Representatives from organizations receiving funding

WHAT: Announcement of funding from the Climate Change and Emissions Management Corporation for energy efficiency projects, launch of the next funding call and an opportunity to speak to funding recipients about their projects.

DATE: June 23, 2010

TIME: 9 a.m.-10 a.m.

WHERE: Westin Edmonton, BC/Alberta Room (10135-100 Street Northwest, Edmonton)

Note to editors: This is the second of three funding announcements from CCEMC this month. The first announcement was made June 16, regarding renewable energy projects. One additional announcement will follow later this month regarding funding Greening Energy (fossil fuel) and Carbon Capture and Storage projects.
